*It is a challenging work in Turkey to offer great taste with all natural ingredients. It requires investment. It calls for experience. It necessitates a dynamic team.*

*It demands one to raise each and every chicken with patience and care, from the moment they hatch.*

*At Gedik Piliç, we spare no effort to bring to our consumers the healthy and natural taste they deserve. Because poultry is our business since 1968.*

*Human health and social benefit are our top priorities. Our talent: taste. Working at our 45.000 m<sup>2</sup> fully integrated facility situated on a 150 hectare tract of land in the fertile expanses of Aegean, we are raising the bar in poultry farming.*

*Each and every process that takes place in the facility's breeding units, incubators, a fodder factory and slaughterhouses is constantly updated in parallel with advancing technology.*

*Operating in full compliance with European norms and in line with the highest standards of quality, we deliver excellence in taste for Turkey. We endeavor for Turkey, because we are well aware that the title "Regular of Kitchen" is a hard earned one. We are bringing to gourmet tables the flavor of Aegean chickens, leaving a delightful aroma in your palate that will make us the regular of your kitchen!*

*The secret behind our natural flavor lies in the lands of the Aegean. At Gedik Piliç, we raise each and every chicken with patience and care from the moment they hatch, in the healthy and natural habitat of Eşme.*

*Connoisseurs of meat use our Nugget, Schnitzel, Doner, Crispy Patty, Cordon Bleu, Meat&Rice Croquette, Popcorn Chicken, Spicy Kebab and the rest of our wide range of advanced processed food in the Express Delights range to prepare variable feasts in a short amount of time. Gedik Piliç is also a favorite of breakfast tables with its advanced processed charcuterie products such as Salamis, Sausages, Sujuks and Patties.*
